Comprehensive Statistics of Staff employed under the Government of West Bengal

(As on 28th February, 1957).

INTRODUCTION.

1. Since 1948 the Bureau has been compiling every year statistics of staff employed in various offices under the State Government. The present report relates to the staff position as on 28th February 1957.

2. Schedules, that is the staff report forms, were as usual sent by post to all offices under the State Government. Schedules were filled up by the different offices concerned and sent back to the Bureau, where the report has been compiled. Fortunately enough there was no defaulter this year and it is hoped the report represents a full picture this time.

3. As usual the report includes the following tables :—

- (i) Tables showing categories of Government employees classified according to the nature of service along with their pay and other emoluments,
- (ii) Tables showing staff position by basic pay groups,
- (iii) by emolument groups,
- (iv) by departments,
- (v) by services,
- (vi) by scales of pay,
- (vii) by districts of posting, and
- (viii) by the sex of the employees.

A table showing departmentwise distribution of staff appointed during the year and in service has also been incorporated in the report. There are two tables for Statistics of scheduled caste and scheduled tribe employees. In addition to these, there are also a few summary tables.

4. The statistics in this report relate to the 28th February, 1957 and cover, subject to the limitations stated hereinafter, all persons employed under the Government of West Bengal as on that day, whether permanent, temporary, part-time, piece-rate, contingency or work-charged, and also include those on leave or under suspension. Part-time employees, who work in more than one office, have been shown against only one office.

5. The number of persons shown under a particular category may not necessarily tally with the total number of posts actually sanctioned under that category. This discrepancy, where it exists, is generally due to the inclusion of persons on leave or under suspension.

6. "Other emoluments" shown under pay and allowances in the table include the following items :—

- (1) Special pay for additional (part-time) duties.
- (2) Special pay for extra responsibility.
- (3) Personal pay.
- (4) House rent allowance.
- (5) Permanent monthly travelling allowance.
- (6) Motor car allowance.
- (7) Horse or pony allowance.
- (8) Cycle allowance.
- (9) Unconditional conveyance allowance.
- (10) Compensatory allowance for expensive living.
- (11) Allowance for living in unhealthy locality.
- (12) House allowance in lieu of free quarters.
- (13) Non-practising allowance.
- (14) Other allowances.
- (15) Emolument on piece-rate.

7. The appendix shows a list of offices or rather units of establishment, which have furnished the statistics for the present compilation. Often the report of the parent office included the figures relating to its subordinate offices which had already submitted their figures separately to the Bureau. This duplication of staff came to notice at the stage of scrutiny. Necessary corrections had to be made, which incidentally account for delay in submission of the report.

Summary of Results.

The total number of staff employed by the Government of West Bengal on 28th February, 1957 was 1,66,120 as against 1,57,762, in the preceding year. The increase is mostly accounted for by additional staff taken in the Departments of Home, Land and Land Revenue, Development and Health. Table 0.0 given below shows the staff under broad categories.

Total number of persons employed by the Government as on 28th February, 1957.

TABLE 0-0

Total	4,443	32,820	81,874	114,694	46,983	161,677	166,120
Permanent	3,178	10,429	49,299	59,728	9,309	69,037	72,215

Others	53	1,733	2,522	4,255	11,915	16,170	16,223

The term "others" in column (1) refers to the staff employed on part-time, piece-rate, contingent, work-charged and contract basis. Out of the total staff 43 per cent. are permanent, 47 per cent. are temporary and the remaining 10 per cent. are employed otherwise. Looking into the break-ups, however, it will be found that 3,178 out of a total gazetted staff of 4,443 or about 72 per cent. are permanent; amongst the non-gazetted superior clerical staff 10,429 out of 32,820 employees or about 32 per cent. are permanent and amongst the non-gazetted non-clerical superior staff 49,299 out of 81,874 employees or about 60 per cent. are permanent. Amongst the non-gazetted inferior staff 9,309 out of 46,983 employees or about 20 per cent. are permanent. It may be noticed that out of a total staff of 1,66,120 less than 3 per cent. are gazetted; about 20 per cent. are non-gazetted superior clerical, about 49 per cent. are non-gazetted superior non-clerical, and 28 per cent. are inferior staff.

Table 0-1 shows the percentages of permanent staff amongst the different classes of employees during past five years :—

Column (5) of the table shows that 0·83 per cent. receive emoluments of Re. 1 to Rs. 25 per month, 2·33 per cent receive from Rs. 26 to Rs. 50 per month ; 38·36 per cent. receive from Rs. 51 to Rs. 75 per month and so on. Columns (6) and (7) show respectively the cumulative totals and percentages of persons who receive emoluments at a level equal to and higher than various levels or groups shown in column (1). Thus a total of 9,821 or 5·91 per cent receive emoluments of Rs. 251 and above, 6,744 or 4·06 per cent. receive Rs. 301 and above, 3,147 or 1·90 per cent receive Rs. 401 and above, 1,704 or 1·03 per cent. receive Rs. 501 and above, 908 or 0·55 per cent. receive Rs. 701 and above, 442 or 0·27 per cent. receive Rs. 1,001 and above, 168 or 0·11 per cent. receive Rs. 1,501 and above 76 or 0·05 per cent. receive Rs. 2,001 and above and finally 27 or 0·02 per cent. receive above Rs. 3,000.

A comparison of tables 0·2 and 0·3 shows the effect of allowances on basic pay received by Government servants. For facility of comparison the relevant columns of the two tables are shown side by side in table 0·4 below :—

Distribution of employees in different basic pay-group and emolument group.

It will be seen from the above table that except for allowances only 78,490 employees out of a total of 166,120 or 47·25 per cent. would have received Rs. 51 and above per month, whereas, the number actually, as a result of granting allowances etc., is 1,60,871 or 96·84 per cent. of the total. Similarly, 26,005 or only 15·66 per cent. would have received Rs. 101 and above, whereas, the number actually is 62,601 or 37·68 per cent. of the total. Similarly for other pay-groups.

The distribtuion of staff according to basic pay group in relation to other financial aspects of pay is shown in table 0.5 below :—

The per capita emolument this year has been found to be Rs. 115 per month as against Rs. 114 in the preceeding year. Comparing the figures in columns (7) and (8) of the above table with corresponding figures of the previous year it is found that the total emoluments and the dearness allowance per rupee of basic pay have registered a slight upward change. The figures for the last five years are shown in table 0.6.

Relation of dearness allowances and emoluments with basic pay.

There are 6,288 women in West Bengal Government service as against 159,832 men in the year under review. The numbers of female and male Government employees in the preceding year were 5,721 and 152,041 respectively. It will be seen from column (5) of the table that considering the state as a whole, the percentage of female employees to total number of employees is about 3·8. It may be seen from the table that the district of posting was not mentioned in 144 cases. There was no female amongst them. Among the districts, Nadia has the highest percentage of female employees and West Dinajpur the lowest. In Calcutta the percentage is 4·6. It will be noticed from column (6) that 31·2 per cent. of the total employees of both sexes are posted in Calcutta and 14·3 per cent. in 24 Parganas. Thus about 45·5 per cent. of the total employees are concentrated in these two places. The number of Government employees per square mile and the population (according to Census 1951) per Government employee, district by district, are shown in table 0·8.
